

Recognition for Excellence in Cyber Security by the Florida Attorney General's Office

Our security program was recognized as best in class by the Florida State Government. Following a successful meeting with the Florida Attorney General's Office, the General Counsel of the leading **\$3B** market cap retailer highlighted our program's commitment to IT and Cyber Security, and our proactive approach to data protection.

The Attorney General's enforcement team acknowledged us as a "good actor" and expressed strong confidence in our ability to manage sensitive data securely. They also suggested utilizing our organization as a resource for future enforcement discussions, reinforcing our leadership in Cyber Security practices and compliance.

This recognition underscores the strength of our security initiatives and our dedication to maintaining the highest standards in data protection and governance. [Click here for details leading to this event](#)
